Each school has an electronic cash register so that you can prepay your child's meals. Students are given a pin number (which follows them through senior year of high school) and they just have to enter that number at the time of paying for their meal. **If you would like to prepay for meals we now have a new Online Meal Payment System available. Please see the schools web-page for directions on My School Bucks.**

Parents may prefer to give their child a check made payable to Granby School Lunch Program. We will electronically deposit the money into your child's account. We encourage on-line payment. We are not allowed to charge meals when your account is in the negative as per our District policy.

The breakfast and lunch menus are located in the Digital Backpack on the school website as well as in the cafeteria. If you have any questions please feel free to contact Rosemary Ochs at ochsr@granby.k12.ct.us or Dave Mensher @ david.mensher@sodexo.com
